4. The Poker Fun Fly Rules are as follows:
 - a). 3 rounds (flights) per entrant. The best 2 of 3 count towards cards drawn.
 - b). Each flight consists of 5 elements: takeoff, inverted flight across the field, 5 consecutive loops, 5 consecutive rolls and landing on the field.
 - c). There are 10 points possible for each element.
 1. 10 points for takeoff (no crash)
 2. 2 points for each 1/5 of field crossed inverted, 10 points maximum
 3. 2 points for each consecutive loop, 10 points maximum
 4. 2 points for each consecutive roll, 10 points maximum
 5. 10 points for landing on the field (crash counts as a landing)
- 5). For each 10 points earned, one playing card will be awarded. So, two rounds at maximum points are 100 points or 10 drawn cards.
- 6). The best 5 cards out of the entrant drawn cards is their poker hand.
- 7). The best poker hand wins.
- 8). Any questions will be handled at the pilot briefing.
